Fruitful Outcome of the activity: The event was conducted to celebrate upcoming Republic Day on 26th January 2023. The event was organized by the department to discuss the significance of Republic Day in life of a student. It is very important for students to know the history behind 26th January and celebration of Republic Day. Students were able express their opinions on what the day meant in their lives through speech. The speeches given by students were judged by selected faculty members. Faculty members talked about the theme as well. They traced the history of India's independence and Republic Day. The history made students aware of what it means to live in republic India. The framing of Constitution was significant as well. Madhuri, Priya, Kalyani, Rakhil were among students awarded with certificates. Students also shared their feelings towards and independent India through local folk songs.

These events build the spirit of learning and celebrating together among students. In the present times it is very important for the students to understand the value of history. Faculty members

also gave their views. They taught students that getting independence was important and that is why it is crucial for the present generation to value the struggle. It is more challenging to preserve the history and culture of the country. Prof. Meena Kumari threw light on the condition and said that even after India getting republic the condition of women is still an issue to be concerned about. As Indians living in Republic country one must know the rights and duties and that is guaranteed by constitution. In the end all the faculty members and students took oath to safeguard the interest of being the Indian citizen.
