Dear Dr. Abha Singh Jee

Greetings from Mahatma Gandhi National Council of Rural Education (MGNCRE), Department of Education, Ministry of Education, Government of India!

At the outset, we appreciate you for your community engagement and social responsibility initiatives, achievements and sustainable practices in your Institution. As you are aware, small acts of sustainability long way in not only meeting our present needs but also for the generations to come.

At the behest of the Ministry, Mahatma Gandhi National Council of Rural Education in Department of Education is conducting National Institutional Sustainability Ranking on Experiential Learning/Engagement/Rural Entrepreneurship/Sustainability in Campus for all faculty members and students of institution. The institutions accredited under NISR of MGNCRE Ministry of Education will be eligible for Research Projects, Faculty Development Programs, Academic Leadership Programs, Internships, Apprenticeships, Post-Doctoral Fellowships, Workshops, Resource Material, Best Practice Study Tours, Visits and other Academic Programs.

In this context, one of our faculty member (Monika Kumari – 7042228930 – [monumonika007@gmail.com](mailto:monumonika007@gmail.com)) visit your institution to promote work on the sustainability ranking. Basing on the participation in this ranking the institutions, faculty, research scholars and students will be involved in best practice study tours, Internships, FDPs & Action Research.

Our Resource Person (Ashit Kumar – 8969734797 – [mgncremoegoi.bihar@gmail.com](mailto:mgncremoegoi.bihar@gmail.com)) will be in communication with you and can be reached for all clarifications. We thank you in advance for your contribution to this national endeavor and look forward to your participation.

Thanking you.

## **REPORT OF VISIT AND MEETING OF MGNCRE FACULTY MEMBERS TO IQAC ON 15.3.23**

### **PROCEEDINGS:**

Faculty members named Monika Kumari and Vikram Chand from Mahatma Gandhi National Council of Rural Education, department of Higher Education, Ministry of education, Government of India visited IQAC M.M Mahila College Ara on 15.3.2023 at 11:30 a.m. They enquired about institutional sustainability, experiential learning, rural entrepreneurship, green environment, energy conservation, skill development programmes for students as well as for faculty members and waste management. IQAC coordinator provided information and answered the questions as per best of her knowledge. After knowing the current status on all required points, the faculty members from MGNCRE suggested some very innovative ideas within the financial and infrastructure limits of the institution for promoting sustainability and green environment. They suggested:

1. Campus bazaar (students selling their own hand made products like paintings, cloths, craft items, or any other)
2. Green campus maintenance with the help of students itself. (training for gardening and displaying slogans like NO SMOKING ZONE, NO PLASTIC, USE BYCYCLE, NO TOBACCO, and use of one sided used papers)
3. Adoption of any girl school for promoting physical mental health along with menstruation hygiene through various awareness programmes.
4. Starting skill based school after classes are over. Expert students of college can provide training to other students and earn money with some partnership with college. They can teach beautician classes, hair treatment, painting, rangoli, craft etc.
